Dear Member, the Belgian Society of Senology has completely renewed its website, creating a user-friendly platform for communication.

Here you will find information about our meetings as well as key events in the field of senology.

To access the presentations (which are being updated gradually), you must log in for the first time using your email address (icon in the menu at the top right of the page) :

- If you are already a member, click 'Forgot Password' and set a new password; then, when you log in for the first time, you will be asked to pay your 2027 membership fee for upcoming meetings (09/01/27)
- If you are a new member, the website will ask you to register and pay your 2027 membership fee for the upcoming meetings (09/01/27)

Only members who are up to date with their membership fees will be able to access the meeting presentations.

If you organise meetings, we can share them on the website.

Finally, important articles from international journals will also be available online free of charge.

We hope you enjoy your visit and please feel free to send any comments to support@seno.be
